#OneWaterfront

Some **oppose** your right to influence the future of Liverpool's Waterfront and want to **exclude** you from any decision making about plans for the area.

If you want to be informed about an **alternative**, more **collaborative** and **democratic** way of planning visit our website :

www.engageliverpool.com

The first stage in the process is to designate **ONE Waterfront area**. If you think that everyone who lives and works along the Waterfront deserves a say in its future email :

I support ONE Waterfront area to
